10 YEARS.
PASSION.
EXCITEMENT.
HAPPY BIRTHDAY.
RÖSLE BBQ.

2012 - 2022

That means 10 years of grilling with RÖSLE.

10 years of passion, inspiration and dedication.

This last decade seemed to fly by for us, as we watched the grilling trend absolutely take off. Today, grills and accessories are a staple of our product line-up.

It all began with the charcoal kettle grill. That's why we call it the "No.1" – not only does it offer first-rate grilling performance, but it was also our first foray into the world of outdoor cooking. Our first gas grills followed soon after. We designed more accessories, and gradually, an exciting product selection grew over the years – just see for yourselves!

Grilling has come to mean more than just hot dogs, pork chops or a few vegetable skewers on the grate. It's a passion. A lifestyle. Not just for us but for all the RÖSLE grill fans who have set up a RÖSLE grill in their garden or on their patio and now share our passion for grilling at all hours – from breakfast to midnight snack.

We want to take this opportunity to say THANK YOU. Thanks for your enthusiasm, for your feedback and for joining in on all the grilling fun.

To celebrate our anniversary, we've put together a special selection of grills just for you.

Happy birthday, RÖSLE!

To the next 10 years – and more.

IMPRESSUM Rösle GmbH & Co. KG Johann-Georg-Fendt-Straße 38 87616 Marktobberdorf Tel. +49 8342 912 0 Fax -190 www.roesle.com

10 years RÖSLE BBQ

What all happened?

The last 10 years have passed by in a flash and the decision to enter the BBQ area in 2012 was exactly the right one for us. We are literally “on fire” for our products and look forward to working on new innovations with our customers and partners.

It all started with the first charcoal grills in 2012.

That was the cornerstone and also a careful approach to the topic. Of course, there were questions as to whether the customers would buy these products from us and trust us to deliver the well-known RÖSLE quality level in this area. So the beginning was still cautious.

But over the years RÖSLE has become a real alternative on the market and we have won many loyal fans and companions. The right price-performance ratio, new and clever ideas, the right accessories and our own enthusiasm were and are the important factors for a trusting relationship.

EXPERIENCE ALL THE
NEW PRODUCTS IN DETAIL

*LED grill spotlight for
perfect visibility*

VARIO insert for the kettle grill

Innovative, flexible and versatile: Our new products.

It's the time to kick off the new barbecue season, and we are already very excited about our new products. There are so many variations that you could almost barbecue all year round. Maybe we should? With all those possibilities the maxim has to be "Get barbecuing and try something new!"

The highlight of our 2022 assortment is our range of special edition grill models. Sleek and stylish in matt black. Of course, we had to make special edition versions of our two NERO models. It's their birthday, after all.

For all you camping enthusiasts, there's the new VIDERO G2-P – the perfect travel companion.

Just pack it and go. And be sure to check out our new accessories. The new grill spotlight lets you keep grilling even after dark. The new deck mat keeps your deck or patio safe from grease splatters. And the extra-long wok turner lets you enjoy home-cooked meals with an authentic Asian flair.

RÖSLE-NOVELTIES: **NEW** OUR ANNIVERSARY MODELS.

10 years of RÖSLE – That’s something to celebrate!

To mark the occasion, we’re offering two exclusive special models, featuring a super-stylish matt black design. But there’s more to these models than just good looks. You’re going to love what’s on the inside. Kick your grill game up a notch with a VARIO+ stainless steel grate for your kettle grill or the heavy-duty prime zone cast iron grate and new wheels for your **VIDERO G4-S NERO**.

> See the video!

STAND FOR VIDERO G2-P

Item no. 25456

- Compatible with VIDERO G2-P
- Working height with grill: approx. 90 cm
- Easy, tool-free assembly
- Space-saving storage
- Material: Steel, powder-coated
- Includes carrying bag

RÖSLE-NOVELTIES: **NEW**

VERY EASY HANDLING AND GOOD VISIBILITY.

Anything from steak or sausages to fresh stir-fried vegetables can be prepared in a wok. The new extra-long, silicone rimmed wok turner makes turning and flipping a breeze. Grilling after dark? You'll want the new LED grill light. The silicone strap makes it quick and easy to attach to any lid handle. Our new deck mat protects your deck from grease splatters.

BBQ WOK TURNER 40 CM

Item no. 25449 | 15.7 in.

- The pan and wok turner features a continuous silicone edge that lets you gently lift, turn, slide or scoop items out of your wok
- This edge keeps your cast iron pan protected from scratches and damage
- Easily unstick food from the rim and bottom of your pan and mix it together
- Heat-resistant up to 220 °C
- Durable combination of stainless steel and silicone; no scraping noises
- The high-quality, stainless steel round handle sits snugly in your hand and features a convenient hanging hole

BBQ PREMIUM-SET 3 PCS.

Item no. 25453

Set comprises Premium barbecue tongs, Premium grilling mitts and SLIDE X barbecue cleaning brush

- Premium barbecue tongs with intelligent locking mechanism – for turning meat, sausages, vegetables, etc.
- Premium grilling mitts made of 100% flame-retardant MATE aramide fibre – an absolute must for handling your charcoal and starter and for carrying hot grilling accessories
- SLIDE X barbecue cleaning brush with 3 rows of stainless steel bristles

UNIVERSAL BBQ LED HANDLE LIGHT

Item no. 25448

- Stylish grill light for illuminating the grilling area
- Compatible with many grill models; easy to attach to the lid handle
- The extra bright chip-on-board 200 lumen LED light features two different brightness levels
- Wear-resistant silicone strap lets you easily and securely attach the light to the lid handle
- Battery operation: 3 x AAA batteries required (not included in delivery)
- Light ON time: approx. 4 hrs.
- Compatible with all VIDERO/ARTISO-models and kettle grills

BBQ DECK MAT 120 X 70 CM

Item no. 25450

- Protects your deck or patio from grease, oil and ashes
- The non-slip underside gives this mat a firm grip
- Heat and flame-resistant
- Weather-proof
- All-purpose, anti-bacterial
- Easily rinses clean with a garden hose
- Light-weight - just roll up and store after use
- Size: 120 x 70 cm | 47.2 x 27.5 in.
- Made of 90% recycled materials
- Materials: Topside polyester, underside recycled rubber-cork composite

RÖSLE-NOVELTIES: **NEW**

ALL-PURPOSE.

Looking for some grilling ideas? Then check out these new products.

These heavy-duty stainless steel grates will take your grill to a whole other level. And if you like your steaks cooked on high heat in the prime zone, this cast iron grate is definitely for you. But gas grills aren't the only ones getting an upgrade - the new VARIO+ stainless steel grate for kettle grills lets you bring your wok to the party and much more. You can't help but get inspired!

STAINLESS STEEL GRILL GRATE VIDERO G3/G6

Item no. 25446 | **18 x 45 cm** | 7.0 x 17.7 in.

STAINLESS STEEL GRILL GRATE VIDERO G2/G3/G4/G6

Item no. 25445 | **24 x 45 cm** | 9.4 x 17.7 in.

- Solid stainless steel design with 8 mm thick grates
- Compatible with all VIDERO models from 2021 onwards
- Narrowly spaced (7 mm/ 0.2 in.) grates to prevent food from falling through

RÖSLE GAS GRILL BBQ-STATIONS

EXPERIENCE THE GAS GRILL
BBQ-STATIONS

*Foldable
Side tables*

Various accessories.

The Versatile Ones: Our Gas Grill Stations.

The gas grill BBQ stations make a noble impression. Pure design with all the refinements high-performance gas grills offer: The rapid ignition and powerful energy of the burner, the large temperature range and even generation of heat, combined with a clean combustion and plenty of comfort – from the back-friendly working height to side storage surfaces through to a spacious lower cabinet with a lot of space for accessories.

Creative barbecue fans get their full money's worth with our gas grill BBQ stations with their high-quality cast iron grates and numerous additional barbecue holders. The extra hot primezone provides a strong and crisp finish. The glass insert in the lid ensures that you can always keep an eye on the

food. So the lid remains closed during cooking allowing no heat to escape. Quail, shrimp skewers or beef brisket cook in a controlled manner and without interruption.

EXPERIENCE THE
BBQ KITCHENS IN MORE DEPTH

Dutch Oven Lid - used as pan

The Complete Ones: Our Outdoor Kitchens.

Now it can be fired up: Move the kitchen outside in summer – our BBQ-Islands offer exclusive cooking comfort even in the middle of the garden. And if you want a little more, we recommend the BBQ Kitchen with Back Burner and stainless steel sink: Not only cooking, grilling, baking, roasting – nobody has to go into the house to wash salad. The uncomplicated outdoor summer kitchen invites you outside every day – just the right way to enjoy the most beautiful season of the year!

With our outdoor kitchens BBQ enthusiasts can really enjoy themselves. Four main burners full of power make it possible to prepare different dishes at the same time, such as burgers, grilled vegetables and tarte flambée. The steak gets a particularly tasty grill crust on the extra hot Primezone. And on the side burner a fresh Mediterranean tomato soup can

be heated. Chicken from the spit? With the Back Burner it becomes evenly crispy brown all around. In addition, there is a lot of space for storing plates and pots, plenty of grill and work surface and thanks to the USB port even the possibility of lighting directly on the grill.

RÖSLE Charcoal- Kettle Grills

DISCOVER ALL CHARCOAL-KETTLE GRILLS
IN MORE DETAILS

The innovative AIR CONTROL SYSTEM precisely controls the temperature.

The Originals: Our Charcoal-Kettle Grill Models.

They are all called “No.1” in memory of the first charcoal kettle grill RÖSLE brought to the market, and have also been the number one among our customers for years.

When the sun shines and the barbecue parties are on the rise, they guarantee tasty grilled food with the original flavour of a wood fire – no matter whether its fillets, sausages or vegetable skewers.

Furthermore, the appliances, which have been extensively tested and rated excellent by experts, offer numerous other advantages: A robustly made framework forms a high-quality design with rubber-tyred wheels, a comfortable working height and an extra large barbecue surface.

The hinged lid on the models No.1 F50 AIR and No.1 F60 AIR is especially practical and can be opened at a 45° angle. But there is also an innovative Air Control System which enables the air supply to be perfectly controlled and precisely dosed.

An additional plus for all appliances: They are easy to look after. They are ready for the next use with just a few simple steps.

RÖSLE SMOKER NO.1 F50-S

DISCOVER MORE
DETAILS

At home anywhere.

Natural wood chips used for smoking.

The Patient One: Our Smoker.

Finesse and patience are the key factors of the smoking process. And, of course, the right smoker to cook the food for hours at low temperatures in aromatic, smoky air. Low & Slow is the motto.

You do not need the huge “smoker locomotive” traditionally used in American BBQs to enjoy the unique flavour of smoked pulled pork, spare ribs, brisket, smoked fish, as well as cheese and

vegetables. The space-saving and mobile RÖSLE Smoker will fit into any garden and is as good as the classic BBQ locomotive in every way.

RÖSLE

SMOKER NO.1 F50-S
